ABOUT US

AuraluX is FRP Doors company with APJ as its mother company.

Within the short span of time our products have attained a strong presence in South India and they are also available anywhere on the globe upon request.

Thanks to the manifold advantages of FRP doors. As they are ideal replacements for wood, plastic, aluminium & steel doors, they are getting wide acceptance among people.

AuraluX FRP Doors can boast of:

- Superior workmanship with high end technology
- Unique Signature designs
- Totally water proof
- Termite proof
- Weather proof
- Borer proof
- Anti corrosive
- Easy to clean
- High strength
- Light weight
- Durability of more than 15 years
- Extra strong with excellent finish
- No weather effect, no warping
- Wide range of designs and textures
- In-built colours
- Suitable for any kind of locks and hardware fittings
- Easy installation by any carpenter
- High aesthetic value
- Zero maintenance
- Solid structure
- Easily fitted with all type of frames like Wooden, marble, granite, and cement
- Future oriented
